

Disability Support Worker training

Support Students with Learning Difficulties and Learning Disabilities

Benalla Performing Arts Centre

57 Samaria Road, Benalla

Monday 25 March 2013

9:30am – 4:30pm

This free accredited training aims to enhance the professional knowledge and skills of Disability Support Workers in adult education settings to provide appropriate interventions and support for students who identify as having learning difficulties or learning disabilities. Based on a unit from Certificate IV in Disability, it covers:

- ◆ Diversity
- ◆ Roles and responsibilities of teachers and education support workers
- ◆ Effects of learning difficulties and learning disabilities
- ◆ Relevant legislation, policies and standards that regulate education service delivery, occupational health and safety, behaviour support and anti-discrimination
- ◆ Language, literacy and numeracy support strategies appropriate to the phase of learning
- ◆ Supporting appropriate to a range of learning situations for students with learning difficulties or learning disabilities
- ◆ Planning for students with learning difficulties and/or disabilities
